

SEA THE CHANGE

COLTON HIGH SCHOOL

ECO FRIENDLY FRIENDS

REFLECTION

WHEN BRAINSTORMING, OUR GROUP HAD COUNTLESS OF IDEAS. THE GOAL OF COURSE WAS TO FIND AN ACCESSIBLE MEDIUM THROUGH WHICH TO SPREAD AWARENESS REGARDING OCEAN CONSERVATION. REALIZING WORDS WERE CAPABLE OF WIELDING THE POWER THAT WE WANTED IN PORTRAYING OUR MESSAGE, WE SET OUT TO CREATE A COLLECTION OF WRITTEN PIECES THAT NOT ONLY SPOKE TO THE CRISIS FACING THE OCEAN BUT ALSO THE DIVERSITY OF THOSE IN THE ENVIRONMENTAL MOVEMENT. THE RELIANCE ON A HEALTHY PLANET IS UNIVERSAL THROUGHOUT OUR SPECIES REGARDLESS OF YOUR SOCIAL STATUS, INTERESTS, OR BELIEFS. THEREFORE WE THOUGHT IT APPROPRIATE TO DEMONSTRATE THE DIVERSITY FOUND WITHIN OUR OWN GROUP BY WRITING IN OUR OWN STYLES. EACH WRITTEN PIECE IS AN APPROACH TO ADDRESSING THIS CRUCIAL SITUATION AND IS CHARACTERIZED BY OUR OWN PERSPECTIVES AND KNOWLEDGE OF THE OCEANIC ISSUES WE FACE.

THIS IS A COLLECTION OF WRITTEN PIECES MEANT TO REFLECT SOME OF THE PERSPECTIVES OF THE YOUTH OF TODAY REGARDING OUR ENVIRONMENTAL CRISIS. IN TAKING THIS ON FROM OUR OWN PERSPECTIVES WE SAW HOW INTERCONNECTED OUR IDEAS AND THOUGHTS REALLY ARE AND FOUND OURSELVES CONVERGING TO SHARE IDEAS AS WELL AS GIVE EACH OTHER FEEDBACK. THROUGH THESE PIECES WE HOPE TO NOT ONLY HAVE OUR VOICES HEARD BUT TO INSPIRE OTHERS TO TAKE ACTION IN THE ENVIRONMENTAL MOVEMENT.
